Be A Hillanthropist!

This Saturday, Hill residents and employees will join city staff to participate in two 'Hillanthropy' project sites on University Hill: one at **Columbia Cemetery** (sign up [HERE](#)) and one in the **Hill Commercial Area** (sign up [HERE](#)). There will be tree planting in the cemetery, and in the Hill Commercial Area work will focus on re-planting the landscaping at the College Avenue underpass. Thanks in advance to our two team leaders from [Al's Barber Shop](#) and [Grenadier Advertising](#)!

We ask that volunteers register a few days in advance (by **Thursday, May 18th**) to ensure we have adequate supplies and food. Food sponsors for this Hillanthropy clean up include: [Alpine Modern Café](#), [Cheba Hut](#) and [The Corner](#). With everyone's help, it will be a beautiful summer on the Hill!

Hill Lighting Improvements in the News

Work begins this week on the installation of pedestrian-scale lighting along key corridors in the Hill neighborhoods, including the 11th Street route to downtown and east-west links to the Hill Commercial Area. The purpose of the lighting is to improve pedestrian safety. The project received considerable support from CU students.
